1. We only run workshops in Hong Kong for groups of at least TWO people that know each other. Come with your spouse and perhaps your older children. Or, have a workshop together with your close friends or colleagues. We will focus more on applications relevant to your group.
2. We run workshops in English or Cantonese according to your choice, and you can choose any mix of English and Chinese MBTI questionnaires that fit your group. The English questionnaire requires about Grade 8 reading ability.
3. MBTI results may not be reliable for people who are too young. We therefore require participants to be ABOVE AGE 14.
4. The intensive workshop lasts for about 2 hours. The cost is HKD900 for each participant, which includes a copy of MBTI Form M and a book (total value about HKD 200). Participants using the Chinese Form M will get the Chinese edition of the book.
5. Please send in this Booking Form together with TWO cheques made out to *Cross Culture Limited* for the TWO halves of the total fee. Our Order Processing Mailbox is at:

6. We will confirm with you via phone and/or email 10 days before the workshop, and give you clear directions to the venue. Before confirmation, priority is given to bigger groups. After confirmation, first half of your fee will be NON-REFUNDABLE.
